Cookeville People Should Not Wait  
Until it is Too Late

The appalling death rate from kidney disease is due in most part to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into the grasp of dropsy, Bright's disease, gravel or some other serious form of kidney complaint.

If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they act where others fail. Over one hundred thousand people have recommended them. Here's a case at home:

J. G. Duke, of Cookeville, Tenn., says: "My experience with Doan's Kidney Pills was so satisfactory that I can highly recommend them. I took this remedy when I was suffering from a pain in the small of my back, caused by weak kidneys, and I soon found relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## O'Conner

We are having some nice weather for gardening and sowing oats.

Cain Matlock is getting so he can sit up most of the time.

Mrs. Calvin Crook is slowly improving.

Mrs. Sam Hitchcock has been sick for some time but is some better at this writing.

What a horrible thing it was the way that Tom Green was killed on Cherry Creek the other day. He was shot through the head by some unknown person. I feel so very sorry for his family. Someone told me the other day that Mrs. Dave Bullock was still weeping for her poor boy who lost his life the other week. She has my sympathy. When I heard of his death I said why should such trouble come to such good people as I thought them to be. My mind ran back to the old Three Springs school when Dave Bullock was a schoolboy. He was such a good, kind boy, and has always been a good man and has one of the best women for his wife.

We all have our troubles in some form or other in this life and it does not come to all of us in the same form either, so there is a cause for everything; and every cause has its effect, but God knoweth all about us all and He knoweth just what for us to pass through in this life. He will heal all broken hearts if we will only trust Him.

TABITHA.

"Dr. Thomas' Electric Oil is the best remedy for that often fatal disease—croup. Has been used with success in our family for eight years."—Mrs. L. Whiteacre, Buffalo, N. Y.
